Dear friend,

I hereby expressed my warm gratitude to all friends who have provided the support for vaccination of Hepatitis - B. All the doses have been vaccinated among all sponsored youth & children as well as volunteers by our doctor and nurses. This vaccination camp has been accomplished only by your kind support, else such type of services was not organised and conducted. For that, again we express our gratitude. By your help ~~of~~ we have vaccinated 444 sponsored children & youth and volunteers. This vaccination will help them to protect from jaundice. Now, they can lead a better and secure life.

The whole organisation as well as we, are very much thankful and acknowledged and pray GOD to bless you and your family.

Thanking you with best regards -
