Dear Sponsor,

I start my letter with regards and best wishes to you. I hope you and your family are well. We are all fine. With your generous support we have constructed a house with 2 rooms and a verandah. The roof has been made of clay tiles and the house looks beautiful. Earlier our house was damaged due to cyclone and we had to bear a lot of hardship. We are all very happy with the new house. We are grateful to you for your generosity and I thank you for your kind support. I pray to God for your well-being and long life. I end with love.

Yours,
