Dear Sponsor,

I start my letter with love and best wishes. I hope you all are well. We are all fine. With your financial support we have constructed 2 rooms with a verandah. We have covered the roof with tiles. Earlier the cyclone Aila had badly damaged our house. We are very happy with the beautiful house which we could never have constructed without your generous support. We are grateful to you and we all thank you for taking care of our needs. I end with love and regards.

Yours _____
